Dear Mr. Arnold:

This letter is in reference to your leaking Underground Storage Tank (UST) site at the Toppenish Army National Guard site, Toppenish, WA (EPA Facility ID. No. 4-260103). In order to achieve compliance with EPA's public notice requirements for corrective actions, 40 C.F.R. §280.67, the enclosed "Notice of Contamination" must be posted at your cleanup site. The "Notice of Contamination" must be posted at the most visible point where the public can read it **and** it must be properly maintained.

Please feel free to contact me if you have any questions at (206) 753-9543.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert B. Cutler".
